

Vision Statement

A community with a distinct character and rich heritage within a rural parish, where open countryside is valued and protected.

Settlements maintain their unique identities and sense of place and do not coalesce.

An inclusive community with affordable, good quality homes that meet local needs, supported by the appropriate infrastructure (e.g. school places and medical facilities) to serve a growing population.

Local shops and businesses continue to make a valuable contribution to a thriving community. Local employment opportunities are supported by high-speed broadband for the whole parish.

A friendly community with a strong social capital, supported by excellent community facilities for residents and visitors of all ages, safe and walkable neighbourhoods and access to quality open spaces.
